And When It is Curable is Discussed by a St. Louis, Mo., Surgeon.

CHICAGO, June 30 .- "When, is Cancer Curable?" was the subject or a paper by Dr. Scott Parsons, of St. Louis, which was read before the Surgical Society of the American Institure of Homeopathy in session here According to Dr. Parsons, the paper was prompted by queries as to why some cases of cancer get well and others die, when the general characteristics, symptoms and type of growth are apparently identical. In part he said:

Rich Crisco Cakes Without Butter Expense

Perhaps you believe that nothing but expensive butter will do for cake making? Perhaps the high price of butter and eggs makes you hesitate to make many cakes?

But with Crisco you can produce as excellent a cake as with the finest butter. Your Crisco cake will also stay fresh and moist longer. This is being proved every day in thousands of homes. Try the above recipe. There are several rich Crisco cakes which may be made for twenty-five cents and less.
